

Mutare Software Offers Cash for IVR Clunkers!

Our partner, Mutare Software, is doing its part to rid the world of over-bloated, underperforming, inefficient Interactive Voice Response applications.

Isn't it time you replaced your outdated IVR with a high value, low cost, state-of-the-art Mutare Custom IVR?

So confident are we in the economic recovery you will experience once a Mutare IVR solution becomes a part of your business environment that we are extending this offer:

- Show us the documentation on your current, underperforming IVR, or describe the processes you'd like to automate;
- Let Mutare Software build a highly efficient custom IVR solution to handle your outcall campaigns, reminders, customer inquiries or other phone-call intensive activities that waste valuable staff time and energy;
- Receive a \$4,500 credit on the purchase price upon sale.*

Begin realizing the rapid ROI of a world-renowned Mutare IVR application. Mutare custom IVR solutions consistently pay for themselves in less than a year, and often in just a few months.

Please Contact (*contact info*) for more information.

* **Program Details:** Credit offer applies to all new Mutare Software custom IVR applications quoted between 8/17/09 and 10/31/09. Purchase must be completed by November 30, 2009. Not valid with other promotional offers.
